

About Us

R-Kidz Early Childhood Education Center Inc.

Character Development:

Because a "Good name is to be preferred above riches"...we consider this segment of our program as paramount. We know the importance of honesty, respect, integrity, kindness, being joyful, and obedient from the heart. Our staff exhibits these qualities for the children and one another. We want the children to truly understand through example what it means to be a person of integrity. All children at R-Kidz actively participate in sharing and helping put their toys away.
